

Hear what one of God's mighty men, Dr. J. R. Roper, Sr. has to say about MTM and their new booklet, The Way of Grace.

FOREWORD TO THE WAY OF GRACE

Let me introduce you to one of God's finest, one of God's graceful soldiers. I have known the author for some time. I have eaten with him, ministered with him and for him. He has something to speak into our lives — let's learn.

When the writer speaks to us about Grace, it is from personal testimony and experience. He tells us of the totality of God's Amazing Grace.

If the author elaborates on faith, it is from the lifestyle that he has lived. He has proven without a doubt, one can live by faith in God.

The hand of God has sustained him against personal and financial odds, that would drown so many, who were not living by faith. The average Christian and minister has not gone, sometimes in faith's realm, where this author has gone. His ministry to the shut-in's and the less fortunate speaks of a track record of God's amazing grace to the faithful. His ministry to bikers and others has lifted Jesus to His rightful position.

The fulfillment of peace only comes from God. As the author takes you on a journey toward fulfillment, faith and grace, go with him. Allow him the honor of removing the cobwebs of confusion and dysfunction so the glorious light of God's Son of Righteousness can shine through.

Feel the thrust of his sword, as he endeavors to illuminate the unmeasurable grace of our Lord.

For just a few moments erase from your mind, the pre-conceived ideas of God's grace and love. May the mental and religious shackles that have blinded you from His grace, be dissolved so that you can see His Grace fully. There is nothing that comes against you that God cannot handle.

Allow this small booklet help you handle life's dysfunctions and heartaches. Feel and know, you are never alone.

There Is Nothing You Can Do to Stop God from Loving You. Blessed Are the Pure in Heart, They Shall See God.

I bless MTM and you in Jesus' Name.

Love conquerors all.

Dr. J. R. Roper, Sr.
