

The Master's Touch Ministry Team brings a broad base of experiences to their preaching and writing. We teach seminars on *Evangelism, Grace, Praying for the Sick, Deliverance, Tithing – Can we Out Give God?, Blessings and Curses, Spiritual Rabies* and *The Heart of the Father*.

Combining a great variety of experiences, God is shaping Master's Touch Ministry Team into unique messengers, forerunners sent to prepare the way of the Lord in these end times. Offering to stand with and encourage leaders to walk in the fullness of their call, we understand from personal experience the cost involved for leaders who dare to go forward doing the works of Jesus. MTM team members long to see the people of God equipped and actively doing the works of Jesus.

Outside the church, our heart and passion is in evangelism, taking the love and reality of Jesus to the lost, lonely and hurting. God has placed a call upon the Master's Touch Ministry Team and planted a desire in our hearts to go into those places where others fear or choose not to go. God has used us in powerful ways while ministering in jails, prisons and praying for those in need over the radio, as well as in meetings and international leadership conferences. Truly signs and wonders follow.

The Master's Touch Ministry Team has shared their story across many denominational lines as well as number of Full Gospel Business Men's meetings. Recently God moved in special ways while they were ministering in Brazil to leaders and the church.

God has recently confirmed that the borders of Canada will not contain the ministry and that thousands will be saved and delivered. God has spoken that Holy Ghost wildfire would start and that it would spread across the land. He has also said that to those needing a fresh touch or in-filling, that God would impart a new measure of His Presence and power into their lives. God has spoken that He will arrange times when the Master's Touch Ministry Team will speak to government leaders the words of the Lord

The MTM Team has a shepherd's heart filled with compassion for the lost and the prodigal. Their passion to fulfill the dream God has planted in our heart, as well as his sensitivity to the heart of our heavenly Father, are a challenge to all those who know and walk with us.

Recently God has allowed the MTM Team to bring a fresh impartation of ministry, hope and power to those who will pay the price to go all the way in God.

With a loyalty and dedication to the mission and cause of Christ that resembles the Knights of old, our desire is to see believers walk in God's fullness, believing our commitment to be doing the will of our heavenly Father should be no less than His commitment to us.

That the cost and commitment of the believer should be no less than the Foreign Legion's Code of Honour — *"A mission once given to you becomes sacred to you. You will accomplish it to the end at all costs. You will never abandon neither your wounded or your dead."*
