

MTM's comment: More Insanity and selling out Christian values. It certainly appears they are much more concerned with what man wants than with what God has to say. I guess it is just one more sign that we are in End Times and we have one last chance to speak plainly, clearly and with wisdom for the Lord.

ONTARIO CATHOLIC SCHOOL TO OPEN MUSLIM PRAYER ROOM: 'ONE MORE NAIL IN THE COFFIN OF CATHOLIC' ED

LONDON, Ontario, September 21, 2012, (LifeSiteNews.com) – In a move to make “all students feel welcome” a Catholic high school in Ontario is about to open an exclusive Islamic prayer room at the request of Muslim students. The room, located right next to the school’s Catholic chapel, will have a newly installed carpet, prayer mats, and speakers. One critic has slammed the move as a “compromise” and “dilution” of authentic Catholic education.

“On top of the new homosexual clubs in Catholic schools, this is one more nail in the coffin of Catholic education,” Suresh Dominic of Campaign Life Catholics told LifeSiteNews.com. “Separate schools are supposed to provide an authentically Catholic environment, but they are now becoming indistinguishable from the public secular schools.”

While administration at Mother Teresa Catholic secondary school says it allowed the prayer space to be created after a group of Muslim students lobbied for it last year, the move comes in obedience to Premier Dalton McGuinty’s Equity and Inclusive Education (EIE) policy which mandates this type of “religious accommodation” for all schools, whether public or Catholic.
